Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Wednesday 14 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Turning dry and sunny, very warm into the weekend.

Today:
Any overnight fog soon clears in the morning to give way to a dry day with plenty of sunny spells. Feeling warm, though slightly cooler near any western coastal areas. Maximum temperature 25 deg C (77 deg F).

Tonight:
Turning cloudier overnight, as some patchy low cloud moves in and allows for the occasional bit of drizzle. This slowly clears by morning, becoming mostly confined to the east. Minimum temperature 14 deg C (57 deg F).

Thursday:
A cloudy start with maybe the odd bit of drizzle, but the day soon brightens up to give some good sunny spells. Feeling warm. Maximum temperature 22 deg C (72 deg F).

Outlook for Friday to Sunday:
Turning dry into this period, with plenty of sunshine. Temperatures also increasing further to feel very warm, and hot in any sunshine.
